

COMMUTERS WIN FARE REDUCTION ON NEW HAVEN

Cuts Ordered From New York to Greenwich, Cos Cob, Stamford and Two Other Points.

WASHINGTON, Dec. 11.—Communion passenger fares on the New York, New Haven and Hartford Railroad, between points in Connecticut and New York City, were ordered reduced to-

day by the Interstate Commerce Commission. The charges fixed by the Commission for sixty trip tickets follow:

Greenwich, \$2.25; Cos Cob, \$2.15; Riverside, \$2.05; Sound Beach, \$2.05; Stamford, \$2.05.

The rates now charged and ordered reduced are:

Greenwich, \$2.00; Cos Cob, \$1.90; Riverside, \$1.80; Sound Beach, \$1.80; Stamford, \$1.80.

The commission held that generally the commutation rates of the New Haven from other points in Connecticut and New England, than those specifically named, were reasonable, and it declined, therefore, further to reduce them.

Mount Royal Tunnel.
MONTREAL, Dec. 11.—Daylight streamed through Mount Royal for the first time to-day. Two gangs of laborers tunneling 600 feet underground met in the heart of the mountain. The new tunnel is three and one-third miles long and was built for the Canadian Northern Railway Company. Within a year, it is expected, trains will be running.

Exquisite Polish
to Finger Nails.

For giving a brilliant polish to the finger nails, nothing can equal the new nail beautifier, Every Woman's Nail Polish. No hard rubbing, no buffer is necessary. It is prepared in flesh tint, cake form. Free from grit, pumice-stone, acid, and grease. Never crumbles. The lustre is never dulled by soaping the hands. Lasts much longer than any other polish. Multitudes of women, beauty specialists and professional manicurists now prefer it to any other polish sold. A chamomile is packed in every box. Sold at all drug and department stores. 50c a box, or sent by The Every Woman Co., 30 S. Fifth Ave., Chicago, Ill.

The flavor
of Yuban distinguishes it
from all other coffees

In producing Yuban, cost was not considered. The whole effort was concentrated on securing the one coffee in the world that would be the most delicious.

On securing a coffee that everyone would acknowledge to be unequalled.

After testing every known coffee, Yuban was chosen.

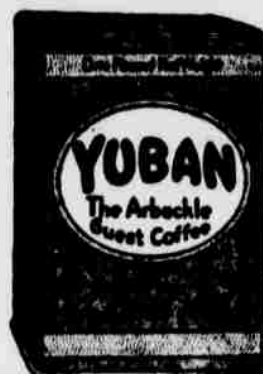

It had such a sparkling color.

It had the full-of-flavor liquor which every true coffee lover seeks.

No other coffee had in so marked a degree, the aromatic fragrance which makes coffee the delight it is.

It is the magnitude of their business that enables Arbuckle Brothers to sell this coffee at the price usually paid for ordinary coffees. They are the largest coffee merchants in the world and have established foreign branches in the chief coffee producing countries.

It is owing to their advantages, that they are able to supply a coffee of this quality at this price.
